## ALA Litter Registration Application

Each puppy will be registered with the ALA and you will receive a Certificate of Registration for each puppy. The Certificates of Registration will be delivered via email, except in instances where breeders do not have an email address, you will receive the Certificates of Registration posted to you, at an additional charge of \$5.

### Application is in 2 Parts:

#### Part 1: Directions for completing application and PDF forms

PDF forms below are for:

1. Veterinary Certificate of Desexing (Page 3)
2. Signature and Details Required if you are not the owner of the stud Dog (Page 4)

#### Part 2: Excel application form (separate attachment)

All Entire Puppies/Dogs must have either Micro-chip or Tattoo Identification. Please name attachments using your official kennel abbreviated prefix, followed by first 3 letters of dogs name and abbreviations for type of attachment in **bold** as follows; for all attachments listed below;

Example for the dog Cloudcatcher Lulu, would be cclulpay, cclulped, Ccluldesx, ccstud, ccexcel

This is not a requirement but would be much appreciated, in order to provide you with a more efficient service.

### Required Inclusions:

1. **Pay:** Copy of PayPal or Direct Deposit Payment or your check or money order.
2. **Ped:** Pedigree.
3. **De-Sex:** Signed letter from Vet outlining desexing details. Form provided below.
4. **Stud:** Complete Details if You Are Not the Owner of the Stud Dog
5. **Excel:** Excel application form

### Directions for completing excel registration forms

1. There are 2 parts to the applications at this time, Part 1: Word document with your details and Part 2: Excel form requiring mainly information on the dogs.
2. In the excel forms; row 1 is the information needed, row 2 is an example and row 3 is where you begin entering your information
3. All fields must have something entered except for "Date Issued". Leave this blank, this information will be completed by the registrar.
4. Name of Dog including Kennel prefix and spaces, is limited to 30 characters.
5. Very important that you must have date in the format we are using, examples 27/1/1977 or 5/4/2006, do not use zero in front of day or month
6. Enter E for entire or D for de-sexed.
7. For owner, enter the purchasers name.
8. For Breeder, use kennel prefix of the breeder of dog.
9. Enter what you think is correct but, we will make the final decision on grading from the pedigrees provided, so provide breeds for all dogs and as much detail as possible.
10. Enter n/a for coat type of de-sexed puppies. For entire puppies enter the coat type.
11. Include photos only if puppies are out of an infusion mating.
12. Notes: for your special notations, especially where you have also submitted an entire puppy from this litter, for upgrade to breeding dog rego, as it has already reached breeding age before litter has been processed due to backlog.
13. Copy first row and paste into each successive rows for total number of puppies, then just change name, sex, E or D for Entire or de-sexed, color and owner, as required.
14. Please do not abbreviate sex or size. For example please list as Male, Female, Standard, Medium and Miniature.
